A milestone that brings with it a higher prize pool, more ATP points up for grabs, and an even more spectacular level of tennis. Starting from today, it will be possible to purchase tickets and book your seat in **a tournament that over the years has hosted several of today's best players, starting with Jannik Sinner**. The ATP Challenger of Bergamo has always distinguished itself by the **great public participation**. For this reason, it was decided to give a small but significant gift to fans who purchase tickets by September 30, 2026: those who purchase tickets for the sessions from Monday, February 1 to Friday, February 5 will receive a **30% discount** on the original price, in addition to the opportunity to choose the best seats and watch the champions' feats up close in a facility that is perfect for this type of event, highly appreciated by players and professionals since its tennis "baptism" in November 2025.
